- 1 Bastille**
A modern French restaurant & wine bar perfect for lunch or dinner.
- 2 Perfect Pita** *a staff favorite*
The best hummus in the Metro area! Great sandwiches (like the yummy Chicken Gyro) on fresh pita bread, and quite reasonably priced.
- 3 Perks**
A gourmet deli and coffee shop, serving smoothies, soups, salads, quiches, and sandwiches. The tuna salad is fantastic! A little pricier than the other sandwich shops, but fresh and delicious.
- 4 Bruscato's** *a staff favorite*
Ok, so we are a little obsessed with this Italian deli. We LOVE their subs and salads, and the Italian meatloaf sandwiches on Wednesdays. Soups and hot foods, like pizza and burgers, are also available.
- 5 Sizzling Express**
This lunchtime hot spot boasts an enormous and impeccable salad and hot foods bar, a sushi bar, AND a deli! The prices are a little higher here, but the super fresh ingredients are worth the extra buck!
- 6 Trader Joe's**
This gourmet grocery store offers premade salads and sandwiches in their refrigerated section, as well and an assortment of snacks.
- 7 Quiznos**
The perfect spot for a toasty sub!
- 8 Starbucks**
Need your latte fix, or a Frappuccino? So do we! This Starbucks has a very friendly staff.
- 9 Stardust**
Delicious assortment of dishes including crispy calamari, crab cakes, and burgers. Dine in the bar area for faster lunchtime service.
- 10 Giant**
This grocery store offers a standard salad bar, deli, and prepared foods area.
- 11 a la Lucia**
This Italian bistro offers delicious paninis, pizzas, and pasta to-go, or to eat there.
- 12 Thai Royal**
Exceptionally good authentic Thai food. We love the appetizer sampler and the green curry!

Elegant Italian dining, perfect for dinner.
- 14 Wendy's**
When you just have to have a FROSTY!
